BRAD PITT JULIA ROBERTS
THE **MEXICAN**
love with the safety off

A moronic criminal, his noisy girlfriend, a closeted gay hit man and a valuable antique pistol all add up to big laughs and wild adventure in this film that pairs Brad Pitt and Julia Roberts for the first time. Jerry (Pitt) is a low-level bagman who is sent to Mexico to find a cursed gun. Infuriated, his girlfriend Sam (Roberts) dumps him and heads to Las Vegas, launching a loony adventure in which Jerry's brainless antics land Sam in the company of a curiously sensitive assassin (James Gandolfini). OF CROOKED COPS?

WHATEVER IT TAKES.

**EXIT
WOUNDS.**

Old-style martial-arts mayhem meets a new generation of action as Steven Seagal and DMX team up in this bone-jarring tale of one cop's fight against corruption. Seagal stars as Orin Boyd, a scowling cop whose nasty attitude has gotten him exiled to a crime-riddled precinct where millions of dollars in drug evidence have been stolen. Bringing the truth to light is not as easy as it seems, but Boyd's got just the punch-first, ask-questions-later kind of attitude needed for this mission of justice! (AC,AL,V) R-1:42. EVERYONE CARRIES A PIECE OF THE TRUTH.

What happens to an American town when something unexpected, unconscionable and unforgivable rips it apart and thrusts it directly into the national media spotlight? That is the question that led a New York City theatre troupe to the town of Laramie, Wyoming, to seek out residents whose lives were dramatically changed after a gay college student named Matthew Shepard was brutally beaten, tied to a fence and left for dead on the side of a rural road. This groundbreaking HBO Films drama

recreates the efforts of the troupe who interviewed the stunned residents of Laramie in an effort to uncover what such a heinous crime meant to the people, their town and their country. A tremendous ensemble cast including Peter Fonda, Christina Ricci, Janeane Garofalo, Amy Madigan, Laura Linney, Steve Buscemi and Terry Kinney (HBO's *Oz*) comes together for this unforgettable, one-of-a-kind film, written and directed by Moisés Kaufman. THE SECOND SEASON

When death is your business, what is your life? For the Fisher family, the world outside their family-owned funeral home continues to be at least as challenging as—and far less predictable than—the one inside. HBO presents the second season of Oscar®-winning screenwriter Alan Ball's breakout series that takes a darkly comic look at members of a dysfunctional L.A. family that runs a funeral business. Peter Krause, Frances Conroy, Michael C. Hall, Lauren Ambrose and Rachel Griffiths star. As the new

season opens, Fisher & Sons funeral home continues to operate despite the loss of owner/patriarch Nathaniel Fisher. His survivors—wife Ruth, sons Nate and David, and daughter Claire—continue to cope with the tricky business of looking to the future while being constantly reminded of the past. What emerges over the course of 13 all-new episodes is a quirky, funny, emotional look at the life of a grieving family... that happens to be in the grief-management business. (AC,AL) TVMA/L-:57.

Trailer-trash chic comes into vogue thanks to David Spade in this uproarious comedy that chronicles the odyssey of Joe Dirt, a dumb-as-dirt hick who relates the story of his search for his parents. Shown in flashback, the tale follows Joe as he meets a farm girl (Brittany Daniel), befriends a giant piece of waste he mistakes for a meteor, attempts an ill-conceived balloon flight, wrestles alligators and enjoys an incestuous romp. Christopher Walken, Dennis Miller and Kid Rock star. (AC,AL,MV) PG13-1:31. Mar.24,27   

PREMIERES SUNDAY, MARCH 24

From John Le Carré's novel comes this searing adventure starring Pierce Brosnan as an amoral British secret agent who gets a Panamanian tailor involved in espionage. Playing off his James Bond persona, Brosnan excels as Andy Osnard, a sleazy agent who is banished to Panama to investigate the drug trade. There he forms an uneasy alliance with a garment maker who provides Andy with information that leads them both into peril. With Geoffrey Rush, Jamie Lee Curtis. (AC,AL,N,V) R-1:50. Mar.31
